# Dedication

To Glen W. Hilty, who has been the principal of Delta High School for eight years, we the class of 1950, wish to dedicate this Del-Hi. We hope that in this small way we can express our appreciation of his helpfulness to every student in D. H. S. As teacher and adviser, he has helped all of us through our high school years with his, "Bring your problems to me."

# Happy Anniversary Wishes

To the class of 1925, who produced the first Del-Hi, we, the Seniors of 1950 wish to express our sincere thanks. They started a great tradition with their Del-Hi, and we hope to carry on. Many of the class of '25 still live in or near Delta and have proved the quality of the graduates of Del-Hi. We wish also to express our congratulations to the class of '25 for their success and achievements. The Del-Hi has not been published continuously since 1925 because of the depression and other financial difficulties. We take great pleasure in honoring the graduates of 1925 in this, the Silver Anniversary Del-Hi.

To the ones, who bring us through the ice, rain, snow, and what not, goes our never-ending thanks. They withstand our noises, wit and jokes with very little complaint. To those people, who can always be depended upon to deliver us to our destination safely, we can only say, "Thanks for everything."

# Custodians

These are the people who have the job that is more or less just taken for granted around the school. They are the ones who heat our school and clean up after us. To our friends, who do these necessary things, we give our thanks and appreciation.

The class of 1950, or the seniors this year, left for Washington, D. C., on May 30, 1949, at 7:05 p. m. from Toledo. They traveled via the B. & O. Railroad. There was hardly any sleeping done on the way to Washington. Our chaperons were Mr. and Mrs. G. W. Hilty. There were thirty-two of us in all.

When we arrived in Washington at 8:15 a. m., a bus was waiting to take us around Washington. Our bus driver, during the most of our trips through Washington, was a fellow by the name of Joe Riggs. We saw the Capitol, the White House, and many other famous buildings which were on our schedule that we followed as closely as we could. Wednesday night was our free night to see the sights of our Capital. On Thursday morning we could do anything we wanted to. Thursday afternoon, at 5:30 p. m., we left for home. Most of us got a little bit of sleep that night. There were three boys (Calvin Brehm, James Nofzinger and Everett Neville) who got off the train at Fostoria at 5:30 a. m., to go on to Columbus. The rest of us arrived at Toledo at 7:30 a. m., where Mr. Meszaros met us to bring us back to good old Delta Hi.

# Senior Class Play

Standing, Left to Right: Art Whitaker, Jim Nofzinger, Stanley Wolcott, Margaret Bratton, Carol Chamberlin, Elsie Keiser, Betsy Shelt, Carol LaSalle, Sue Segrist.

Seated: Marcia Koester, Dean Keller, Donna Fortney, Art Welch, Mr. Klee.

Not Pictured: David Beatty, Milton Hollinger.

A dramatized version of the hit novel—"We Shook the Family Tree"—shook the auditorium of Delta Hi on April 21, 1950. The mirth-provoking play presented the problems of Hildegarde (Carol LaSalle) and her family when she tried to get out of a fixed up date with Freddie (Dean Keller), the only boy in town who wore knickers! But Mother (Betsy Shelt) and Father (Dave Beatty) had no intention of offending Freddie's Mom (Marcia Koester) and Dad (Jim Nofzinger), who happened to be the president of the bank. Sally (Margaret Bratton), Hildegarde's kid sister, tried to help by making Hildegarde beautiful with beauty mud, but the brothers (Art Welch and Arthur Whitaker) only laughed at her attempts—they were more interested in girls (Sue Segrist and Donna Fortney)! Even the little girl next door (Elsie Keiser) made for confusion by mailing old love letters around the neighborhood.

Everything ended well when Freddie succeeded in getting long pants but not until Hildegarde caused a series of family crises.

The play was under the direction of Mr. Klee.

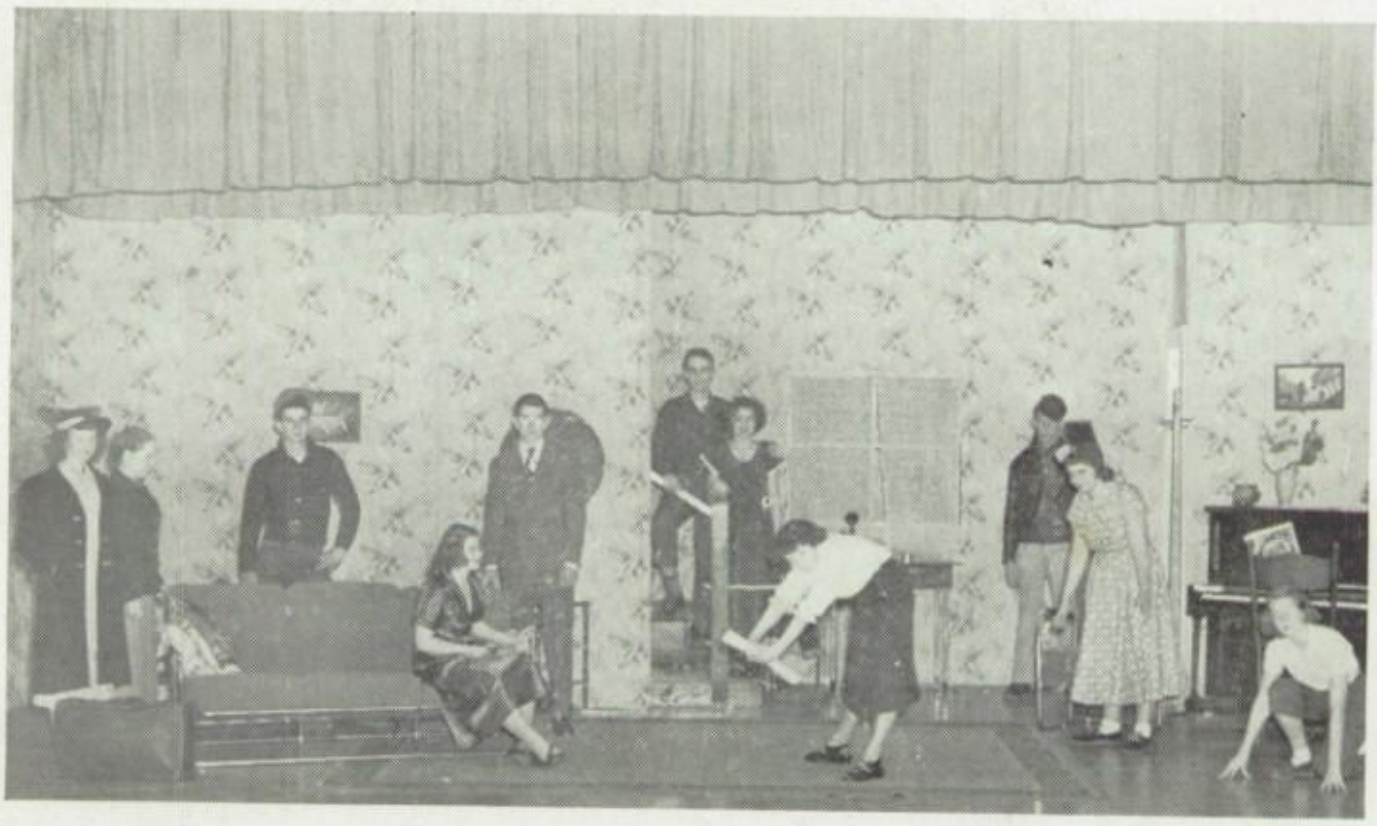
The Junior Class has been as busy as little bees this year getting ready for that all important Washington trip coming up in June. They have served at many banquets and have worked hard at the concessions. The class rings for the Juniors arrived just a short time before Christmas. The Juniors gave a delightful comedy, "Brother Goose," which was a great success on November 18. Besides all this, they produced a very nice Junior-Senior Banquet. We have many reasons to be very proud of our hard working Juniors. Good luck, Juniors.

# Junior Class Play



Left to Right: Althea Terwilliger, Opal Green, Tom Studer, Jean Sindel, Jack Short, Jerry Tuckerman, Nancy Currier, Juanita Baugh, Paul Shelt, Valerie LaMont, Gretchen Winterhoff.

The Junior Class Play this year was "Brother Goose." Mrs. Mack directed the play. She did a very excellent job and, to the satisfaction of all, the play was a great success.

The story is more than an ordinary one. Jeff struggles to start a practice in architecture and to keep order in a house beset by two lovesick teens, Wes and Carol, and a pre-teen football fanatic, Hyacinth.

Lenore, heiress to a fortune, plans to ensnare Jeff by discouraging his other client, Mrs. Trimmer. But Hy and Peggy, the efficient housekeeper, upset Lenore's plans and saved the day. Hy wins her football game, Wes gets his girl, Eve, Carol wins a prize in her contest, Jeff keeps Mrs. Trimmer's contract and Peggy captures Jeff.

Cast: Jeff—Jack Short, Hy—Pat Harris, Peggy—Nita Baugh, Lenore—Jean Sindel, Carol—Gret Winterhoff, Wes—Jerry Tuckerman, Eve—Nancy Currier, Mrs. Trimmer—Opal Green, Helen—Althea Terwilliger, Driver—Tom Studer, Postman—Paul Shelt, Sarah—Valerie LaMont.

The Sophomores this year have been trying very hard to make enough money for their Washington trip, next year. This year they set their magazine sales goal at $900, and with much work and diligence, they went over the top with $985. Daryl Kleck was the high salesman with $198.50. They were equally successful with the next magazine sale, too! The Sophomores also gave a party for the winning team in the sales.

The Freshmen started the year with a great deal of enthusiasm, and we hope that throughout their four years of high school they retain that enthusiasm. The first thing the Freshmen did was to throw a big shindig to get acquainted. That was the Freshman Get Acquainted Party on October 5. Concessions required a great deal of work from the Freshmen, and they all worked well.

# Scouts

Delta now has all three branches of scouting represented by its youth. The three groups are: the Cubs, the Boy Scouts and the Explorer Post. The Boy Scouts and the Explorer Post are sponsored by the Community Service Club, while the Rotary sponsors the Cubs. The different scout groups are easily distinguishable from each other when they are in uniform. The Cubs wear blue and yellow; the Scouts, brown and red; the Explorers, green and brown. The Scout groups are very active in community activity. Last February they took over the village offices during Scout Week for one day. Delta can not be too proud of its youth, participating in Scouting.

Delta's high school band has been very active this year, as usual. The band went all out this year for formations at the football games, bigger and better formations with more snap and precision than ever before.

During the summer months, green and white uniforms graced the homecomings and fairs all over this area. Delta captured the first place trophy at the annual Toledo Aquarama Parade.

This spring the band presented its annual Spring Festival, with the cooperation of the Girls' Glee Club and Boys' Glee Club. Both the band and glee clubs participated in the County Festival, and also competed in the Northwestern Ohio contests. Mr. Dambach and all Delta can be proud of our music department. Each year we find new talent to add to Delta's success in the field of music. I know we can keep up the fine record.

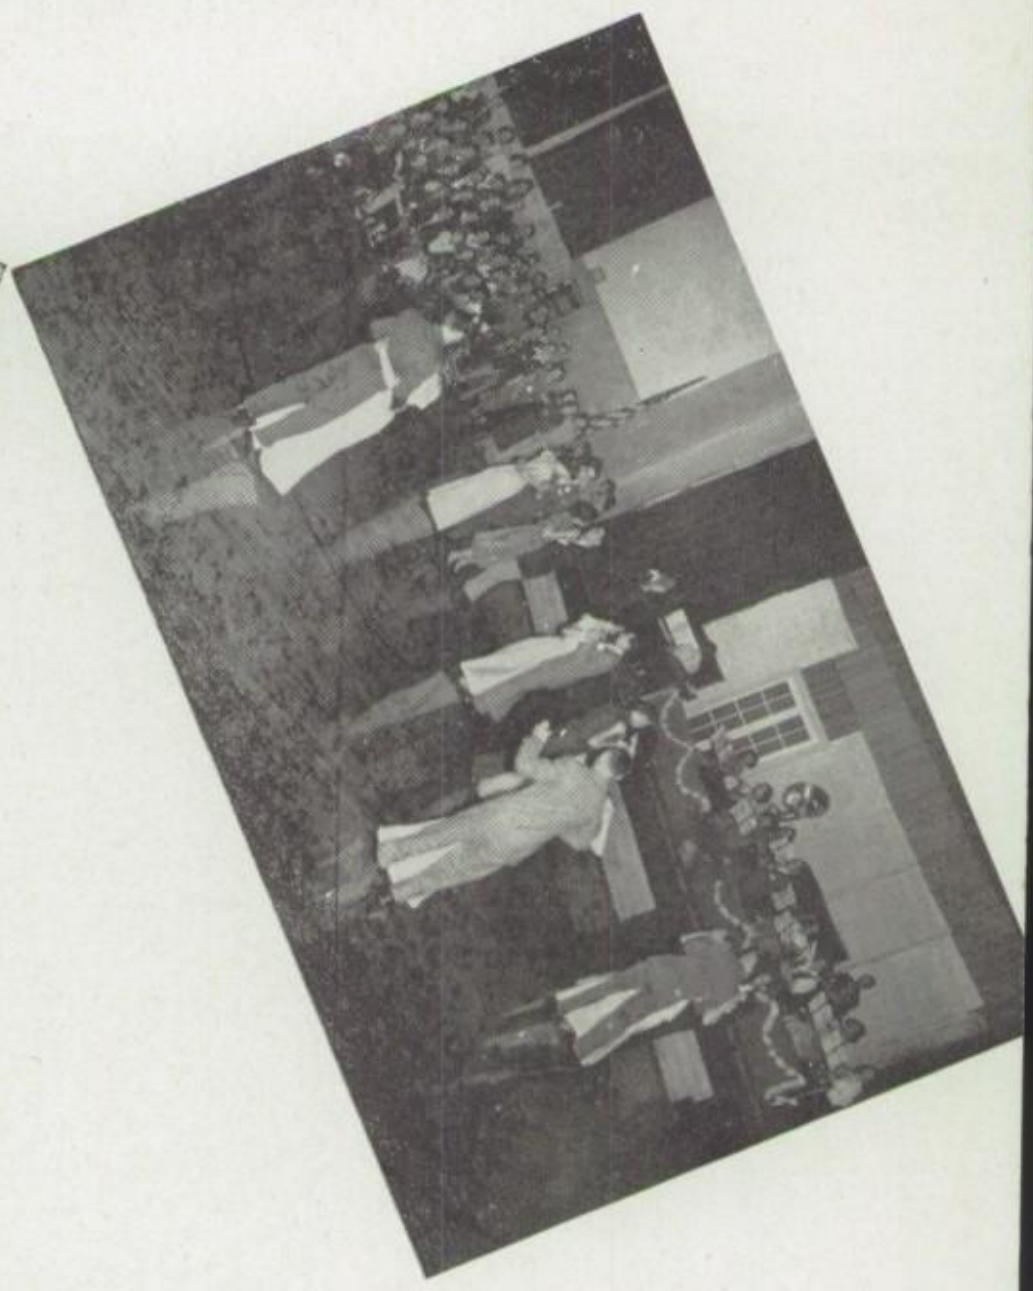
# Homecoming



We had a lot to celebrate at our homecoming this year. It was the Holland game, and we tied them 7-7. Marilyn Ruger was our queen, and a very beautiful one at that. The coronation and dance took place after the game. Kent McKee, captain of the football team, had the honor of crowning the queen. The high school dance orchestra provided music for the dance. Long live the queen!

# Football

This year we had a much better than average football team. The Panthers lost only two games, the first and the last. All the games were well played, especially the Holland and Wauseon games. The Panthers tied Holland 7 to 7 in the big game of the year. Holland was the league champion, but they weren't better than our Panthers. In our traditional battle with Wauseon, the Panthers came out on top 37 to 19, making this year's football season a very successful one. Out of nine games, the Panthers won six, lost two and tied one. We would like to congratulate the team and coaches for a fine record, and for giving us a lot to cheer about in '50.

Rah ! Rah ! Rah ! Fight, Panthers, Fight ! Those were the shouts of the Delta basketball fans as they cheered the team on to victory. The Panthers had a most successful season this year. During the regular season they won 13 games and lost only two. They were the champions in the county league and runners-up in the Maumee Valley conference. To top the season off, the Panthers won three games in a row, and won the county championship. The Big Cats then advanced to the district tournament, where they made a fine showing.

## FAREWELL

It is really hard to say how we feel graduating from school. In some ways we are glad. We shall go along our own way, get our own job, perhaps some of us will get married and start our own families. As we look back over our school days and all the fun we had, we are sorry we are leaving! We shall miss our old friends, even though we shall make new ones. The football and basketball games will not seem right without the kids we know that used to play. We shall even miss the teachers and our studies. Most of our classmates will leave and we shall wonder what happened to them. So when we are asked if we are glad we are graduating, we really can't say. We shall miss school, but we look forward to our new life ahead. This year's annual will grow dear to us as we look back over our happiest years and see our many friends.

The Del-Hi staff wishes to thank all the people who have contributed to making this annual a success.
